

VendorLink

OSBA's *VendorLink* is your chance to be "plugged in" to Ohio's school leaders. We can provide a link from our Web site (www.osba-ohio.org) to your home page, allowing anyone who accesses our site to visit yours with just a click of the mouse.

Your link consists of a posting of your company name and home page URL, as well as a hyperlink to instantly transport the interested person to your site.

VendorLink runs for one year. After that time, you'll have the chance to renew.

Feel free to visit OSBA's home page at www.osba-ohio.org anytime to view current *VendorLinks*.

VendorLink advertising rate

One-year link from OSBA's home page to advertiser's is \$90. One-year period begins the month you sign up and continues for the following 11 months.

Vendors' Information Center

While visiting OSBA's home page, click on the "Vendors" tab and stop by the Vendors' Information Center, an area just for companies like yours. Here you can review the many options available for marketing to public school districts, including advertising in OSBA publications and exhibiting in the OSBA Capital Conference and Trade Show.

For more information on OSBA and the marketing options we provide, please contact:
