A golden opportunity

For 55 years, the Ohio School Boards Association's Capital Conference and Trade Show has attracted thousands of educators to Columbus each fall. We've added many new booths and have moved into exhibit halls C and D to better serve our exhibitors and our conference attendees. We've also changed our show hours to be more convenient for everyone.

Renew old contacts and make new ones

The Greater Columbus Convention Center is the site for the Capital Conference and Trade Show 2007. One of the most modern show places in the nation, the GCCC hosts all convention activities including the annual business meeting, educational sessions, several entertainment events and the trade show. You'll meet Ohio public school board members, superintendents, treasurers, business managers and many other school officials. These attendees decide what products and services to purchase in their districts. Their decisions amount to about \$14 billion in sales annually.

Booth specifications

Included with rental, booth spaces are decorated with an 8' high draped back wall with polished aluminum uprights and stanchions. Division rails are 36" high with matching draperies. Exhibitors are provided with a 7" x 44" uniform sign carrying your company's name, city and state.

On premise sales

On-premise selling is not condoned, yet order-taking is acceptable. Each exhibitor receives a directory of all pre-conference registrants.

Entertainment

Exhibitors may attend OSBA entertainment activities held during the conference. Exhibitors may also arrange for their own hospitality suites.

Additional marketing outlets

Gain added exposure by taking advantage of sponsorship opportunities throughout the conference. Promotional activities include educational programs, entertainment events, food and beverage functions, publications, services and giveaways.

Exhibitors may also purchase an "InfoAd" for the conference. This is an electronic visual message played as part of a slide show run continuously throughout the conference.

Exhibitors also receive discounts on advertisements in the *OSBA Journal*, OSBA's monthly membership magazine.
