

Post Secondary in your own High School

**COLLABORATIVE BETWEEN CLEVELAND
STATE UNIVERSITY & THE MAPLE HEIGHTS,
GARFIELD HEIGHTS AND WARRENSVILLE
CITY SCHOOLS**

Presenters(Jamia)

- Dr. Eric Yeager- Program Coordinator, Cleveland State University
- Dr. Marva Kay Jones- Superintendent, Warrensville City Schools
- Mr. Aaron Newman- Principal Maple Heights HS
- Dr. Alan Ho- Post Secondary Professor
- Ms. Jasmine Carpenter- OSU Freshman, graduate of the program
- Student-Jamia Ray, current student in the program

How did this get started?(Marva)

- First Ring Districts Collaboration
- Raising the bar for students
- University Support
- Preliminary Conversations

What does the program look like?(Jasmine)

- Up to 50 students from the 3 districts enrolled
- Students take 16 credit hours
- Program housed at Maple Heights High School
- Monday through Thursday courses both semesters
- Every other Friday Campus visits/programming and e-learning/mentoring

What does the program look like?(Jasmine)

- **First Semester**

- M/W English I
- T/R Psychology

- **Second Semester**

- M/W English II
- T/R Philosophy

- ASC-Student First year experience integrated into the program.

Coordination(Eric)

- Financial Agreement
- University Expectations/Standards
- Friday Activities
- Relationship between the schools and the university
- Unexpected issues and resolution

Coursework(Alan)

- Same expectations as for college students
- Rigorous work
- Adapting to high school setting/mindset of students

Benefits to the University (Eric)

- Greater Community Outreach
- Introduction of top students of 3 local districts to college experience, better prepared if they attend CSU, or any college
- Gets these students onto our campus

Benefits to the Schools (Aaron)

- Change the culture of attitudes about college in the school
- Increase the number of students involved in post secondary
- Top students can still be actively involved in school leadership and extracurriculars
- Able to see the expectation of college/university professors in order to equip students for college and career readiness.

Benefits to the students?(Jamia/Jasmine)

- Leaving high school with a semester of college completed for free
- Many students do not have the means to get to a college everyday while in HS, so post secondary otherwise not an option
- Don't have to "choose" between campus post secondary and being involved in high school activities
- Better prepared for college
