

Affordable Social Media Solutions At Your Fingertips

Ohio School Boards Association

Partner with 300m to expertly manage and guide your district through the contemporary social media maze. Avoid social media mishaps including bullying, inappropriate comments and behavior. Engage and inform your community.

Experience social media, value priced for you

Collaborating with your district for an affordable flat fee, the OSBA vetted-and-endorsed 300m team will...

- Update or create your district and board social media communications programs
- Provide initial and ongoing training of staff
- Deliver a system of on-demand support
- Develop and manage your ongoing social media program

Take control of your district's message to the community

300m brings a results-orientation and intense system focus to:

- Improve your school district's image among taxpayers
- Communicate with parents and other stakeholders in real time
- Highlight your school district's accomplishments
- Create the brand image you desire for your school district
