

OSBA

Board Handbook Service

OSBA now offers board handbook service

- Do your students have a student handbook?
- Does your staff have a staff handbook?
- Does your board have a board handbook?

Let OSBA help your board develop a customized board handbook as a valuable quick reference and key orientation tool.

There are two options for developing your board handbook:

- an electronic handbook template with sample language and instructions (\$775)
- a full-service comprehensive handbook facilitated with an OSBA consultant (\$3,100)

To get your board handbook started today, call (800) 589-OSBA and speak with Cheryl W. Ryan, director of Board and Management Services (cryan@ohioschoolboards.org), or Teri Morgan, senior deputy director of Board and Management Services (tmorgan@ohioschoolboards.org).
