The search process

What sets OSBA apart from the rest?

Revelus online search application

OSBA's proprietary search software enables candidates to confidentially create and store a professional profile and application. Once candidates have applied, you will have the opportunity to see and evaluate each individual candidate. As your professional search consultants, we will help guide you in choosing candidates to interview that best fit the profile your board created.

The Achiever Leadership Assessment

With exclusive rights to the Achiever online assessment tool, OSBA provides board members objective information to help them understand their finalists' unique skills.

National search

The relationships between OSBA's search professionals and those at other state school boards associations allow for important networking with those who may have professional knowledge of candidates for Ohio treasurer positions. This partnership, as well as strong relationships with other public education organizations, allows us to broadly advertise open positions without significant costs to districts.

Recruiting

Because we value and respect the relationship we have with our district members, we use multiple strategies to attract outstanding professionals and make each search known to qualified candidates.

Board and district focused

Your board knows the needs of its local community. Every search is unique and we customize the search from the board's perspective. Our search consultants have school-board experience, providing them with a distinct understanding of your board's needs.

Cost-effective

OSBA's high-quality search services are kept affordable as a service to our members.

New Leadership Team Workshop

A post-search team-building workshop to help lay the foundation for success is included in the cost of your OSBA search (\$900 value).

*OSBA Guarantee

Our guarantee is simple. In the unlikely circumstance you are unable to successfully appoint a candidate, OSBA will reopen the search and work with you until the right choice is made.
