# Who is Eligible to Become Insured

## FOR PARTICIPANT INSURANCE

**You are eligible to become insured for Participant Insurance while:**

- You are in a Covered Class.

**Your class** is determined by the Contract Holder. This will be done under its rules, on dates it sets. The Contract Holder must not discriminate among persons in like situations. You cannot belong to more than one class for insurance on each basis, Contributory or Non-contributory Insurance, under a Coverage. "Class" means Covered Class, Benefit Class or anything related to work, such as position or Earnings, which affects the insurance available.

**This applies if you are a Participant of more than one member school district included under the Group Contract:** For the insurance, you will be considered a Participant of only one of those member school districts. Your service with the others will be treated as service with that one.

The rules for obtaining Participant Insurance are in the When You Become Insured section.

# When You Become Insured

## FOR PARTICIPANT INSURANCE

Your Participant Insurance under a Coverage will begin the first day on which:

- You have enrolled, if the Coverage is Contributory; and
- You are eligible for Participant Insurance; and
- You are in a Covered Class for that insurance; and
- That Coverage is part of the Group Contract.

For Contributory Insurance, you must enroll on a form approved by Prudential and agree to pay the required contributions. Your Employer will tell you whether contributions are required and the amount of any contribution when you enroll.

At any time, the benefits for which you are insured are those for your class, unless otherwise stated.

# General Information

## **BENEFICIARY RULES**

The rules in this section apply to insurance payable on account of your death, when the Coverage states that they do. But, if there is an assignment, these rules are modified by the Limits on Assignments section.

"Beneficiary" means a person chosen, on a form approved by Prudential, to receive the insurance benefits.

You have the right to choose a Beneficiary for each Coverage under this Prudential Group Contract.

If there is a Beneficiary for the insurance under a Coverage, it is payable to that Beneficiary. Any amount of insurance under a Coverage for which there is no Beneficiary at your death will be payable to the first of the following: your (a) surviving spouse; (b) surviving child(ren) in equal shares; (c) surviving parents in equal shares; (d) surviving siblings in equal shares; (e) estate. This order will apply unless otherwise provided in the Limits on Assignments.

You may change the Beneficiary at any time without the consent of the present Beneficiary. The Beneficiary change form must be filed through the Contract Holder. The change will take effect on the date the form is signed. But it will not apply to any amount paid by Prudential before it receives the form.

If there is more than one Beneficiary but the Beneficiary form does not specify their shares, they will share equally. If a Beneficiary dies before you, that Beneficiary's interest will end. It will be shared equally by any remaining Beneficiaries, unless the Beneficiary form states otherwise.

If you and a Beneficiary die in the same event and it cannot be determined who died first, the insurance will be payable as if that Beneficiary died before you.

## **MODE OF SETTLEMENT RULES**

The rules in this section apply to Accident Insurance payable on account of a Covered Person's death. But these rules are subject to the Limits on Assignments section.

Insurance payable on account of a Covered Person's death is normally paid to the Beneficiary in one sum. Subject to applicable law, where the amount of the benefit meets Prudential's current minimum requirement, payment in one sum will be made by establishing a retained asset account in the Beneficiary's name, unless the Beneficiary elects another settlement or payment option available at the time of claim, and the benefit distribution will be deemed complete when the account is established. The retained asset account is an interest-bearing draft account backed by the financial strength of Prudential. Funds are held in Prudential's general account or elsewhere as Prudential may direct and an account in the Beneficiary's name is credited interest at a rate set by Prudential's discretion, subject to a minimum rate that will change no more than once every 90 days on advance notice to the Beneficiary. The Beneficiary is provided a draftbook and has immediate access to the entire amount by writing drafts for any amount up to the account balance. The retained asset account is not a bank account and is not insured by the Federal Deposit Insurance Corporation; it is a contractual undertaking between Prudential and the Beneficiary. Further information about the account is provided at the time of claim. Prudential may at its discretion provide other forms of

payment in one sum. But another mode of settlement may be arranged with Prudential for all or part of the insurance, as stated below.

Arrangements for Mode of Settlement: You may arrange a mode of settlement by proper written request to Prudential.

If, at a Covered Person's death, no mode of settlement has been arranged for an amount of the person's Accident Insurance, the Beneficiary and Prudential may then mutually agree on a mode of settlement for that amount.

Conditions for Mode of Settlement: The Beneficiary must be a natural person taking in the Beneficiary's own right. A mode of settlement will apply to secondary Beneficiaries only if Prudential agrees in writing. Each installment to a person must not be less than \$20.00. A change of Beneficiary will void any mode of settlement arranged before the change.

Choice by Beneficiary: A Beneficiary being paid under a mode of settlement may, if Prudential agrees, choose (or change the Beneficiary's choice of) a payee or payees to receive, in one sum, any amount which would otherwise be payable to the Beneficiary's estate.

Prudential has prepared information about the modes of settlement available. Ask the Contract Holder for this.

## LIMITS ON ASSIGNMENTS

You may assign your insurance under a Coverage. Unless the Schedule of Benefits states otherwise, insurance under any Coverage providing death benefits or periodic benefits on account of disability may be assigned only as a gift assignment. Any rights, benefits or privileges that you have as a Participant may be assigned. This includes any right you have to choose a Beneficiary or to convert to another contract of insurance. Prudential will not decide if an assignment does what it is intended to do. Prudential will not be held to know that one has been made unless it or a copy is filed with Prudential through the Contract Holder.

This paragraph applies only to insurance for which you have the right to choose a Beneficiary, when that right has been assigned. If an assigned amount of insurance becomes payable on account of your death and, on the date of that death, there is no Beneficiary chosen by the assignee, it will be payable to:

- (1) the assignee, if living; or
- (2) the estate of the assignee, if the assignee is not living.

It will not be payable as stated in the Beneficiary Rules.

## DEFINITIONS

**Calendar Year:** A year starting January 1.

**Contributory Insurance, Non-contributory Insurance:** Contributory Insurance is insurance for which the Contract Holder has the right to and may require your direct contribution to the cost of coverage. Non-contributory Insurance premiums are paid by the Contract Holder, usually without direct contribution from you. The rate for Non-contributory insurance may be determined, or in some cases, reduced, in part, based on your contributions for contributory insurance or other benefits offered to you under the Contract Holder benefit plan.

**Coverage:** A part of the Booklet consisting of:

- (1) A benefit page labeled as a Coverage in its title.
- (2) Any page or pages that continue the same kind of benefits.
- (3) A Schedule of Benefits entry and other benefit pages or forms that by their terms apply to that kind of benefits.

**Covered Person under a Coverage:** A Participant who is insured for Participant Insurance under that Coverage.

**Doctor:** A licensed practitioner of the healing arts acting within the scope of the license.

**Earnings:** This is the gross amount of money paid to you by the Employer in cash for performing the duties required of your job. Bonuses, overtime pay, Earnings for more than 40 hours per week, and all other benefits are not included.

**Injury:** Injury to the body of a Covered Person.

**Participant:** A person who is described in the Covered Classes. The term also applies to that person for any rights after insurance ends.

**Participant Insurance:** Insurance on the person of a Participant.

**Prudential:** The Prudential Insurance Company of America.

**Sickness:** Any disorder of the body or mind of a Covered Person, but not an Injury; pregnancy of a Covered Person, including abortion, miscarriage or childbirth.

**You:** A Participant.

## CLAIM RULES

These rules apply to payment of benefits under all accident Coverages.

**Proof of Loss:** Prudential must be given written proof of the loss including any requested documentation, such as a death certificate, for which claim is made under the Coverage. This proof must cover the occurrence, character and extent of that loss. It must be furnished within 90 days after the date of the loss. But, if any Coverage provides for periodic payment of benefits at monthly or shorter intervals, the proof of loss for each such period must be furnished within 90 days after the period ends.

A claim will not be considered valid unless the proof is furnished within these time limits. However, it may not be reasonably possible to do so. In that case, the claim will still be considered valid if the proof is furnished as soon as reasonably possible.

**When Benefits are Paid:** Benefits are paid when Prudential receives written proof of the loss including any requested documentation, such as a death certificate. But, if a Coverage provides that benefits are payable at equal intervals of a month or less, Prudential will not have to pay those benefits more often.

**To Whom Payable:** Benefits are payable to you with these exceptions:

- (1) Benefits for any of your Losses that are unpaid at your death or become payable on account of your death will be paid to your Beneficiary or Beneficiaries. (See Beneficiary Rules.)

If you and a Beneficiary die in the same event and it cannot be determined who died first, benefit will be payable as if that Beneficiary died before you.

- (2) If you are not living, benefits for your Spouse's Losses are payable to your Spouse if your Spouse is living.
- (3) If neither you nor your Spouse is living, then benefits for a Spouse's Losses will be paid to your Spouse's estate.

**Physical Exam and Autopsy:** Prudential, at its own expense, has the right to examine the person whose loss is the basis of claim. Prudential may do this when and as often as is reasonable while the claim is pending. Prudential also has the right to arrange for an autopsy in case of accidental death, if it is not forbidden by law.

**Legal Action:** No action at law or in equity shall be brought to recover on the Group Contract until 60 days after the written proof described above is furnished. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

## INCONTESTABILITY OF INSURANCE TO WHICH THE CLAIM RULES APPLY

This limits Prudential's use of a person's statements in contesting an amount of that insurance for which the person is insured. These are statements made to persuade Prudential to effect an amount of that insurance. They will be considered to be made to the best of the person's knowledge and belief. These rules apply to each statement:

- (1) It will not be used in a contest to avoid or reduce that amount of insurance unless:
  - (a) It is in a written instrument signed by the person; and

- (b) A copy of that instrument is or has been furnished to the person.
  - (2) It will not be used in the contest after that amount of insurance has been in force, before the contest, for at least two years during the person's lifetime.
-

# When Your Insurance Ends

## **PARTICIPANT INSURANCE**

Your Participant Insurance under a Coverage will end when the first of these occurs:

- Your membership in the Covered Classes for the insurance ends for any reason.
  - The part of the Group Contract providing the insurance ends.
  - Your school district is no longer a member of the association.
  - You make a written request to the Contract Holder to end your Employee Insurance under a Coverage.
  - You fail to pay, when due, any contribution required for an insurance of the Group Contract.
-

**The Claims and Appeals section  
is not part of the  
Group Insurance Certificate.**

# CLAIMS AND APPEALS

## Plan Benefits Provided by

The Prudential Insurance Company of America  
751 Broad Street  
Newark, New Jersey 07102

This Group Contract underwritten by The Prudential Insurance Company of America provides insured benefits. For all purposes of this Group Contract, the Employer/Policyholder acts on its own behalf or as an agent of its Participants. Under no circumstances will the Employer/Policyholder be deemed the agent of The Prudential Insurance Company of America, absent a written authorization of such status executed between the Employer/Policyholder and The Prudential Insurance Company of America. Nothing in these documents shall, of themselves, be deemed to be such written execution.

The Prudential Insurance Company of America as Claims Administrator has the sole discretion to interpret the terms of the Group Contract, to make factual findings, and to determine eligibility for benefits. The decision of the Claims Administrator shall not be overturned unless arbitrary and capricious.

## Claim Procedures

### 1. Determination of Benefits

Prudential shall notify you of the claim determination within 45 days of the receipt of your claim. This period may be extended by 30 days if such an extension is necessary due to matters beyond the control of the plan. A written notice of the extension, the reason for the extension and the date by which the plan expects to decide your claim, shall be furnished to you within the initial 45-day period. This period may be extended for an additional 30 days beyond the original 30-day extension if necessary due to matters beyond the control of the plan. A written notice of the additional extension, the reason for the additional extension and the date by which the plan expects to decide on your claim, shall be furnished to you within the first 30-day extension period if an additional extension of time is needed. However, if a period of time is extended due to your failure to submit information necessary to decide the claim, the period for making the benefit determination by Prudential will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the date on which you respond to the request for additional information.

If your claim for benefits is denied, in whole or in part, you or your authorized representative will receive a written notice from Prudential of your denial. The notice will be written in a manner calculated to be understood by you and shall include:

- (a) the specific reason(s) for the denial,
- (b) references to the specific plan provisions on which the benefit determination was based,
- (c) a description of any additional material or information necessary for you to perfect a claim and an explanation of why such information is necessary,
- (d) a description of Prudential's appeals procedures and applicable time limits, and

- (e) if an adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination will be provided free of charge upon request.

## **2. Appeals of Adverse Determination**

If your claim for benefits is denied or if you do not receive a response to your claim within the appropriate time frame (in which case the claim for benefits is deemed to have been denied), you or your representative may appeal your denied claim in writing to Prudential within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. You may submit with your appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

A full review of the information in the claim file and any new information submitted to support the appeal will be conducted by Prudential, utilizing individuals not involved in the initial benefit determination. This review will not afford any deference to the initial benefit determination.

Prudential shall make a determination on your claim appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if Prudential determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date that Prudential expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the date on which you respond to the request for additional information.

If the claim on appeal is denied in whole or in part, you will receive a written notification from Prudential of the denial. The notice will be written in a manner calculated to be understood by the applicant and shall include:

- (a) the specific reason(s) for the adverse determination,
- (b) references to the specific plan provisions on which the determination was based,
- (c) a statement that you are entitled to receive upon request and free of charge reasonable access to, and make copies of, all records, documents and other information relevant to your benefit claim upon request,
- (d) a description of Prudential's review procedures and applicable time limits,
- (e) a statement that you have the right to obtain upon request and free of charge, a copy of internal rules or guidelines relied upon in making this determination, and
- (f) a statement describing any appeals procedures offered by the plan.

If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

If the appeal of your benefit claim is denied or if you do not receive a response to your appeal within the appropriate time frame (in which case the appeal is deemed to have been denied), you or your representative may make a second, voluntary appeal of your denial in writing to Prudential within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. You may submit with your second appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

Prudential shall make a determination on your second claim appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if Prudential determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date by which Prudential expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled from the date on which the notification of the extension is sent to you until the date on which you respond to the request for additional information.

Your decision to submit a benefit dispute to this voluntary second level of appeal has no effect on your right to any other benefits under this plan. If you elect to initiate a lawsuit without submitting to a second level of appeal, the plan waives any right to assert that you failed to exhaust administrative remedies. If you elect to submit the dispute to the second level of appeal, the plan agrees that any statute of limitations or other defense based on timeliness is tolled during the time that the appeal is pending.

If the claim on appeal is denied in whole or in part for a second time, you will receive a written notification from Prudential of the denial. The notice will be written in a manner calculated to be understood by the applicant and shall include the same information that was included in the first adverse determination letter. If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

**NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE  
OHIO LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

**Ohio Department of Insurance

Third Floor – Suite 300  
Columbus, OH 43215**

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

**COVERAGE**

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract; if they are insured under a group insurance contract, issued by a member insurer; or if they are the payee or beneficiary of a structured settlement annuity contract. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

## EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does **not** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

## LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of \$300,000, except as specified below, no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. The association will not pay more than \$100,000 in cash surrender values, \$500,000 in major medical insurance benefits, \$300,000 in disability or long-term care insurance benefits, \$100,000 in other health insurance benefits, \$250,000 in present value of annuities, or \$300,000 in life insurance death benefits. Again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages, the association will pay a maximum of \$300,000, except for coverage involving major medical insurance benefits, for which the maximum of all coverages is \$500,000.

*Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act:* For unallocated annuities that fund governmental retirement plans under sections 401, 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of \$1,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
