PublicSchoolWORKS

OSBA is working for you to provide a complete solution to maintain compliance.

OSBA has partnered with PublicSchoolWORKS to provide a district safety compliance solution provider for staff and students. Demands on administrators and staff and continually changing regulations can be difficult for schools to consistently report and respond to student issues.

Contact Tom Strasburger of PublicSchoolWORKS at (513) 631-6111 to learn more on safety compliance for your district.

Please complete an online conference evaluation either during or after the event at:

OSBA Mission

OSBA leads the way to educational excellence by serving Ohio's public school board members and the diverse districts they represent through superior service and creative solutions.

NEW ATTITUDE

An Educator's Code (Adapted from Dr. Hiam Ginott)

I AM the decisive element in Zanesville City Schools.

MY approach creates the climate.

MY daily mood makes the weather.

I possess tremendous power to make a child's life miserable or joyous.

I can humiliate or honor, hurt or heal.

In **ALL** situations, it is **MY** response that decides

whether a crisis will be

escalated or de-escalated and

a child humanized or de-humanized.
