From planning to action

Diversity and equity in your district

The OSBA Diversity & Equity Consulting Services will provide the training and support you need to best optimize the opportunities that diversity offers. Our team of experts have years of experience and training in the areas of diversity, equity and inclusion. Each consultant delivers customized professional development for school boards, school building and district leaders and educators in support of the district's equity, diversity and inclusion initiatives.

Individual consultants can provide customizable services that help your district build inclusive work and living environments. In this work, the consultants will offer approaches to improving human engagement linking equity and inclusion, behavioral health care and holistic wellness for a trauma-informed experiential application.
