The ESC Leadership Academy, in partnership with OSBA and endorsed by the Ohio Educational Service Center Association, offers the perfect opportunity for high-quality, customized professional development at your facility for your ESC's school boards.

The ESC Leadership Academy delivers cost-effective training specifically tailored to the school board members and administrative leadership teams served by your ESC. ESCs can select to offer two, three or four 2.5-hour professionally facilitated programs.

Potential topics could include:

- legislative landscape;
- student achievement;
- parliamentary procedure for board meetings;
- board ethics and trust;
- social media and communications;
- conflict resolution;
- effective team leadership.

## Cost

- \$3,500 co-sponsorship fee for four 2.5-hour on-site programs.
- \$2,625 co-sponsorship fee for three 2.5-hour on-site programs.
- \$1,750 co-sponsorship fee for two 2.5-hour on-site programs.

## Benefits for your ESC

- Provides growth to board members and administrators served by your ESC.
- Strengthens your ESC's exposure to surrounding districts and members.
- Spotlights your ESC as a premium training facility.

## Academy details

OSBA is committed to helping your ESC successfully coordinate the leadership academies. In addition to providing expert speakers for your programs, OSBA will:

- promote the academy to your member districts and regionally to local districts;
- provide a template for you to advertise the programs;
- issue certificates for board members who attend.

Schedule sessions across the school year or group them as you wish.
