The ESC Leadership Academy, in partnership with OSBA and endorsed by the Ohio Educational Service Center Association, offers the perfect opportunity for high-quality, customized professional development for your ESC's school boards.

The ESC Leadership Academy delivers cost-effective training specifically tailored to the school board members and administrative leadership teams served by your ESC. **New for 2017**, ESCs can select to offer two or four three-hour professionally facilitated programs.

Examples of potential topics include:

- legislative issues;
- student achievement;
- school law for board members;
- social media and your school district;
- board ethics and trust.

## Cost

- \$3,500 co-sponsorship fee for four three-hour on-site programs.
- \$1,900 co-sponsorship fee for two three-hour on-site programs.

## Benefits for your ESC

- Provides growth to board members and administrators served by your ESC.
- Strengthens your ESC's exposure to surrounding districts and members.
- Spotlights your ESC as a premium training facility.

## Academy details

OSBA is committed to helping your ESC successfully coordinate the leadership academies. In addition to providing expert speakers for your programs, OSBA will:

- promote the academy to your member districts and regionally to local districts;
- provide a template for you to promote the programs;
- provide certificates for board members who attend.

You can schedule sessions across the school year or group them as you wish.
