Communicating in a Crisis

The 3 V's

- Villain
- Victim
- Vindicator

Communicating during a true crisis is different.

Communications Failures

1. Mixed messages
2. Information released late
3. Paternalistic attitudes
4. Not countering rumors in real time

Communication Steps Leading to Success

1. Execute a communications plan
2. Be the first source for information
3. Express empathy early
4. Remain open and honest
5. Update information regularly & consistently

Communicating in a Crisis

Your messages to stakeholders in a crisis must be:

- > Simple
- > Timely
- > Accurate
- > Relevant
- > Credible
- > Consistent

Communicating in a Crisis

Pitfalls to be avoided:

- > Avoid jargon & technical terms
- > Don't use humor
- > Refute negative allegations without repeating them
- > Don't assume you've made your point
- > Avoid one-liners and clichés
- > Discuss what you know – not what you think
