

Registration form Master of Transportation Administration

The Ohio School Boards Association is offering a training curriculum for administrators who are responsible for pupil transportation. The goal of the program is to provide learning opportunities in the many key areas affecting transportation, as well as familiarity with the many legal sections and reference materials essential to the transportation professional.

The complete curriculum includes classes in each of three proficiencies – compliance and safety, operations management, and governance (including policy and fiscal matters). This is a three-year curriculum, with each year focused on just one of these proficiencies. For those pursuing the MTA recognition, each year will also require the completion of a subject-related project.

Individuals may register and attend a single class, or they may register for the complete MTA professional development program by submitting this form to OSBA.

This registration form is for a full year in the Master of Transportation Administrator program. Registrations received before July 1 will be invoiced after July 1.

School Year of Program: 2020-2021 — OPERATIONS

Attendee Name: _____ Title: _____
Email Address: _____ Phone: (____) _____
School District: _____ County: _____
Mailing Address: _____ City: _____ Zip: _____
