Ohio School Boards Association Northwest Region hosts spring conference

LIMA — More than 200 school board members, administrators, staff, students and guests from across northwest Ohio gathered at the Apollo Career Center March 14 for the Ohio School Boards Association (OSBA) Northwest Region Spring Conference.

The conference featured updates from OSBA officers and staff and a number of awards and recognitions. The region presented awards recognizing exemplary student programs and schools; outstanding school board members; veteran board members; and excellence in community service, humanitarian efforts and leadership.

A highlight of the evening was a performance by the Bath High School Chamber Chorale, directed by Sarah Haselman. The school is in the Bath Local School District in Allen County.
