

OSBA

Board Handbook Service

OSBA now offers board handbook service

- Do your students have a student handbook?
- Does your staff have a staff handbook?
- Does your board have a board handbook?

Let OSBA help your board develop a customized board handbook as a valuable quick reference and key orientation tool.

There are two options for developing your board handbook:

- an electronic handbook template with sample language and instructions (\$500)
- a full-service comprehensive handbook facilitated with an OSBA consultant (\$2,000)

To get your board handbook started today, contact Board and Management Services Consultant Steve Horton at (614) 540-4000, (800) 589-OSBA or shorton@ohioschoolboards.org.
