Nicole Piscitani joins Ohio School Boards Association as lobbyist

COLUMBUS — The Ohio School Boards Association (OSBA) recently named Nicole Piscitani as its new lobbyist. She previously served as a government relations coordinator with The Options Clearing Corporation (OCC) in Washington, D.C. Prior to her role at OCC, Piscitani was manager of government relations for the Columbus Chamber of Commerce.

As a member of the OSBA legislative team, Piscitani's duties include lobbying the Ohio General Assembly on behalf of Ohio public education, tracking legislation and testifying before legislative committees. She also monitors Ohio Department of Education activities and works with the OSBA Legislative Platform Committee and Delegate Assembly. In addition, she presents professional development sessions and writes for OSBA publications.

Piscitani, who earned a Bachelor of Arts in political science and communication from the University of Toledo, graduated from the Midview Local School District's Midview High School in Lorain County. She also served as a fellow at the Ohio Legislative Service Commission, the nonpartisan agency providing the Ohio General Assembly with drafting, research, budget and fiscal analysis, training and other services.

She and her husband, Frank, have two children, Dominic, 7, and Luca, 3, and live in the Columbus suburb of Lewis Center.

Founded in 1955, the Ohio School Boards Association leads the way to educational excellence by serving Ohio's public school board members and the diverse districts they represent through superior service, unwavering advocacy and creative solutions.
