OSBA Southeast Region hosts spring conference in Jackson

JACKSON — More than 75 school board members, administrators, staff, students and guests from around southeastern Ohio gathered in Jackson March 21 for an Ohio School Boards Association (OSBA) Southeast Region Spring Conference.

The event was held at Jackson High School in the Jackson City School District. The region hosts two spring conferences; the other one this year will be March 30 in the Franklin Local School District in Muskingum County.

The conference featured updates from OSBA officers and staff and a number of awards and recognitions. The region recognized exemplary student programs, outstanding school board members, veteran school board members and new school board members. Also recognized were new district superintendents and treasurers.

One of the highlights of the event was a performance by the Jackson High School Jazz Band, directed by Aaron Rex.

For more information on the awards, contact Southeast Regional Manager Paul D. Mock, whose phone number and email address are listed above.
