

What a unique and challenging time it is to be a school board member. There is so much to do in a rapidly changing world for our students, especially as we navigate a global pandemic and work to ensure an equitable educational experience for all.

To serve as a board member requires perseverance, diligence, daily effort and a commitment to lifelong learning. As OSBA president, I agree with our association's belief that you deserve formal recognition for the time and talent you devote to your district and students.

That's why I'm pleased to share more information with you about OSBA's new STAR Awards Program, which will better reflect your dedication and service to Ohio's children. Keep reading to learn more about this new program or visit www.ohioschoolboards.org/STAR-awards.

I can't wait for you to earn this acknowledgment of your hard work and dedication.

- OSBA President Lee Schreiner, South-Western City

Ohio School Boards Association
8050 N. High Street, Suite 100, Columbus, Ohio 43235

Attend OSBA's State Legislative Conference	10	Attend the OSBA Board Member 101	20
Attend a half-day OSBA workshop	10	Attend the OSBA Capital Conference and Trade Show	25

APTITUDE AWARD

The OSBA Aptitude Award requires a board member to demonstrate an understanding and comprehension of a variety of board governance skills based on six leadership areas:

- vision
- accountability
- policy
- community engagement
- relationships
- advocacy

Note: More details on this assessment and materials will be available in fall 2020.

TIMELINE: The assessment will be available June 2021-July 2021. The awards are presented at the fall regional conferences beginning in fall 2021.

APPLICATION PROCESS: Board members can take the assessment at their convenience in the months of June and July beginning in 2021. The assessment will be offered annually.

OSBA will develop materials so board members can prepare prior to the annual assessment. Board members can choose from a list of activities to help them prepare, including self-directed reading, attendance at workshops or participating in webinars. Note that these activities also may count toward a board member's Training or Service awards.

REQUIREMENTS: To receive this award, board members must receive an 80% passing score on an online assessment. The assessment may be taken multiple times by a board member who does not receive an 80% score and wants to try again during the annual assessment period.

RECOGNITION AWARD

The OSBA Recognition Award honors individual board members whose fellow board members, in recognition of their dedication to good governance and participation, wish to publicly acknowledge such contributions.

The Recognition Award may be received separately or in combination with any or all of the other individual STAR (Service, Training and Aptitude) awards. However, if a board member earns OSBA's Service, Training and Aptitude awards within the requisite time period, OSBA will notify their local board that a resolution to approve the member for the Recognition Award would complete the STAR series and, in doing so, allow the individual to be declared a Master Board Member.

TIMELINE: Resolutions/nominations must be received by July 31. Awards are presented at the regional fall conferences.

APPLICATION PROCESS: Any board member may move to nominate another member for the OSBA Recognition Award. After receiving a second to that nomination, a majority of the board must approve a resolution for the award to be given. Once voted upon, the board of education should forward the approved resolution to OSBA on behalf of the board member(s) to be recognized. Any individual board member may request the nomination. It is incumbent upon the local school board to determine whether the nominee's work on behalf of the district deserves such recognition. A sample resolution is available at www.ohioschoolboards.org/recognition-award.

REQUIREMENTS: A board member nominated by his or her board should demonstrate outstanding boardmanship and service to public education. Consider board members who understand the appropriate role of the board member; support the mission of the district; are concerned for student achievement; collaborate with fellow board members in decision-making; invest in their own professional development; show respect for all students, staff and community members; and reflect OSBA's board member Code of Ethics.

MASTER BOARD MEMBER

Newly revised, the updated Master Board Member status combines the elements of the STAR Awards Program: service, training, aptitude and recognition. All Master Board Members - whether earned through the STAR Award Program or earned previously - will be eligible to become members of the All-Ohio School Board, selected by his or her region's awards committee.

TIMELINE: A board member must earn the four components of the STAR Awards within a three-year period. Awards are presented at the spring regional conferences.

APPLICATION PROCESS: This award does not require an application; the board member will be notified when he or she has completed the four awards within a three-year period.

REQUIREMENTS: A board member who earns each component of the STAR Awards in a three-year period will be recognized as a Master Board Member.

Once a board member becomes a Master Board Member through the newly revised process, that status can be maintained by passing the Aptitude assessment or receiving a combined 150 points in the Training and/or Service Award categories every three years.

Board members who received the Master Board Member Award prior to April 2020 will retain that status indefinitely without a point or test requirement.

AWARDS TIMELINE

January 2019

Fall 2020

Spring 2021

 Board members began automatically earning points toward the Service Award.

 Materials for the recognition component were made available in May 2020 for boards to recognize their peers. The first Recognition Awards will be presented at fall region conferences and every fall thereafter.
