

Student and School Safety Through PBIS

OSBA School Security and Safety Solutions Summit
September 12, 2018

Scott Barber, Transition Bridge Coordinator for Berea City Schools
Jeff Grosse, Assistant Superintendent for Berea City Schools
Sabrina Scott, Health and Wellness Director for Canton City Schools (*prior, Pupil Services for Berea*)

Safety Through PBIS

We are glad you are here!

Goals for today

- Review district systemic approach for addressing safety (Berea, Canton)
 - Professional development
 - Intervention for students
 - District and agency collaboration
- Discussion among participants and presenters
- Individual Q & A

Safety Through PBIS

Safety Summit Learning Track: Mental health-prevention

Bottom line: All three tracks through PBIS and collaboration

- Mental health-prevention
- Safety and security
- Community agency collaboration

Safety Through PBIS

Canton City School District

Safety Through PBIS

We are glad you *were* here!

Goals for today

- Review district systemic approach for addressing safety (Berea, Canton)
 - Professional development
 - Intervention for students
 - District and agency collaboration
- **Discussion among participants and presenters**
- **Individual Q & A**

Safety Through PBIS

Whether Berea or Canton or your district...

Bottom line:

You can use the paradigm of PBIS (PD, intervention, district/ agency collaboration) to create a culture and environment of safety!

Safety Through PBIS

“Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that. “ --Martin Luther King, Jr.

...We are here to answer any questions you may have...
