### About the District:

Wayne Local School District encompasses approximately 50 square miles and is located in southwest Ohio's Warren County. This area is one of the most desirable for residential and industrial/commercial development. Being in close proximity to Dayton, district residents have easy access to the educational, cultural, and recreational facilities afforded by the Dayton Metropolitan area.

The District consists of one elementary school, grades K-6 and one junior high/high school, grades 7-12, a 5-star Step Up to Quality Preschool and a new Performing Arts Center opening in approximately one month. The District has a student population of approximately 1,700 and employs over 175, including two employees in the Treasurer's Office.

There is a strong tradition of excellence in the District. Maintaining excellence year after year is something we strive for here at Waynesville. We realize it takes a constant effort to maintain quality and we are committed to doing whatever it takes to maintain it for our students.
