

# BRIEF CASE

THE OHIO SCHOOL BOARDS ASSOCIATION

Serving the public school leadership team

## Ohio educator Kurt Russell named national teacher of the year

**Kurt Russell**, a history teacher at **Oberlin City's** Oberlin High School, has been named the 2022 National Teacher of the Year by the Council of Chief State School Officers (CCSSO). The program celebrates exceptional teachers and enables them to take part in policy discussions at the state and national levels. In a statement honoring Russell, CCSSO Chief Executive Officer **Carissa Moffat Miller** said, "Kurt's extensive career shows the power of educators to shape the lives of students from the classroom to extracurricular activities to the basketball court." A 25-year veteran of the classroom, Russell teaches multiple courses, serves as an adviser for the Black Student Union and is head coach for the school's varsity basketball team. Inspired to become a teacher when he encountered his first Black male teacher, Russell plans to advocate for classrooms to better reflect the students within them.

## Governor names new members to State Board of Education

On April 6, Gov. **Mike DeWine** appointed **Melissa Hand Bedell** and **Sue E. Hackett** to fill two at-large vacancies on the State Board of Education. Bedell, a Columbus resident, previously practiced law for the Franklin County Public Defender's Office. Hackett, who resides in London, worked extensively in the health care field as a nurse and administrator before her retirement.

## Bellefontaine board honors Korean War veteran

When **Chester Clayton Phelps'** brother was drafted into World War II in 1945, Phelps had to leave school and help his father run the family farm.

The U.S. Army then drafted Phelps in 1952 to serve in Korea.

Seventy-years later, Phelps, at age 89, received an honorary diploma from the **Bellefontaine City** Board of Education.

"To see the pride he had in receiving it was a very special moment, and we're very glad we were able to do that for him," Superintendent **Brad Hall** told a local radio station.

Ohio law allows public school districts to confer a high school diploma to veterans who have served in any branch of the armed services between Sept. 16, 1940, and the end of the Vietnam War.

### Nominations are open to serve on OSBA regional committees

Member participation on OSBA's regional and state committees is vital to the association's work. School board members benefit greatly when they volunteer to serve on an OSBA committee. It is a great way to get to know your fellow board members, network and collaborate while supporting your association.

Committees work best when OSBA's diverse members provide

their unique perspective. Whether you're in your first year of board service or your 30th, consider serving on an OSBA committee to increase your interaction with school board members from other districts and represent your fellow board members and school district at region and state events and meetings.

Currently, OSBA is accepting applications for the following 2023 regional and state committees:

- region executive committee members;
- regional executive committee president elect;
- regional appointments to the OSBA Board of Trustees;
- the Legislative Platform Committee;

## Start employees on the path to success with an employee handbook

Many districts have employee handbooks, but they may be outdated or incomplete. OSBA can help your district create a concise and accurate handbook that is useful for employers and employees.

A handbook:

- provides clear notice of expectations to employees;
- is a handy reference for answering employees' questions and covering basic conditions of employment;
- supports growth and development;
- supports disciplinary actions when guidelines are not followed;
- is a reference tool for nonunion employees.

## East Knox Local students champion recycling programs

Students at **East Knox Local's (Knox)** East Knox Elementary School have launched a recycling program with the help of the Knox County Recycling and Litter Prevention program.

A group of fifth- and sixth-graders came to program manager **Matt Baugher** with an idea to recycle candy wrappers after Halloween, he told a local newspaper.

"The wrappers go to a company that has a way of washing and

condensing the wrappers to make pet waste bags," Baugher said. "The waste bags end up in dog parks and humane societies."

Four fifth-graders also started a program to recycle regular paper items at the school.

"Basically, the students take turns," Baugher said. "They collect the paper and dump it into a big container. It's student led. They came up with the idea."

Fifth-grader **Ellie Clark** said, "We saw trash cans overflowing in

the cafeteria, and we wanted to help reduce waste."

Sixth-grader **Hayden Garman** wants to take the program to the junior-senior high school next year.

Baugher talked to more than 200 students at East Knox Elementary School about the benefits of recycling to the environment.

"I was really impressed with what they were able to bring to the table," said Baugher, who hoped to talk to younger students, too.

The contact information for regional managers is listed at **[www.ohioschoolboards.org/region-managers](http://www.ohioschoolboards.org/region-managers)**.

If you currently serve on a 2022 committee that is appointed by the regions and would like to continue serving in 2023, you *must* submit an application. Current region executive committee members also should complete this form if they are interested in serving on any committees or if their term on the region executive committee expires in 2022 and they want to run again.

You can download the application at **<http://links.ohioschoolboards.org/25715>**.

Applications are returned to OSBA Senior Membership Engagement Consultant **Mark E. Bobo**, then regional nominating committees review them and develop slates of candidates for the elected offices to be voted upon at the regions' fall conferences. Board members who aren't chosen as candidates may be considered for other committee appointments near the end of the year.

The deadline to apply is June 30. Completed forms should be emailed to Bobo at [nominations@ohioschoolboards.org](mailto:nominations@ohioschoolboards.org) or mailed to Ohio School Boards Association, 8050 N. High St., Ste. 100, Columbus, Ohio, 43235.
