

# BRIEF CASE

THE OHIO SCHOOL BOARDS ASSOCIATION

Serving the public school leadership team

## Report shows historic decline in public school enrollment during pandemic

Public school enrollment from fall 2019 to fall 2020 fell 3% in the U.S. — the largest single-year decline since 1943 during World War II — according to data from the National Center for Education Statistics' 2022 Condition of Education Report. The total public school enrollment dropped from 50.8 million to 49.4 million students, bringing pre-K-12 enrollment back to 2009 levels. This is the first time the yearly report, which summarizes the latest U.S. education data, included the impact of the COVID-19 pandemic on education. View the report, which includes data on school choice, gun violence and home schooling, at <https://nces.ed.gov/programs/coe>.

## Ohio EPA offering funds for water bottle refilling stations in schools

Pre-K-12 schools can apply for funding from the Ohio Environmental Protection Agency (EPA) to purchase and install new water bottle refilling stations or retrofit them through the agency's Recycling and Litter Prevention Water Bottle Refilling Station Program. The refilling stations help schools reduce, reuse and recycle, discouraging single-use plastic water bottles. The maximum grant funding available is \$5,000 per school or \$10,000 per school district. Grantees have 12 months to buy and install equipment. Details are available at <http://links.ohioschoolboards.org/70292>; download an application at <http://links.ohioschoolboards.org/97488>.

## New toolkit offers resources on hosting a 'meet the candidates' forum

The best way to learn candidates' views and positions on education is to host a "meet the candidates" event. Invite those running for Congress, the Ohio General Assembly, Ohio Supreme Court and other statewide offices to address education issues before an audience of voters. OSBA has a step-by-step guide with timelines and sample materials, including invitations, questions and a news release, to help you host a candidates' forum. Access the toolkit at [www.ohioschoolboards.org/hosting-candidates-night](http://www.ohioschoolboards.org/hosting-candidates-night).

## OSBA 2022 Capital Conference brochure to be mailed mid-July

Make plans to attend the 67th annual conference, Nov. 13 to Nov. 15, at the Greater Columbus Convention Center. The 2022 conference brochure is being sent to school board members, superintendents, treasurers, Ohio Council of School Board Attorneys members and sustaining members. It has information on keynote speakers, workshops, special events, hotels and registration. Online registration opens July 25; board members should contact their treasurer to register. The conference features more than 150 learning sessions, a Trade Show and numerous best practices to benefit your district. Visit <http://conference.ohioschoolboards.org> for more information.

## Honor board members with the Recognition Award

Nominate a fellow board member for the OSBA Recognition Award, which honors board members most dedicated to the craft of being a model school board member. To earn this award, a board member must be nominated by a majority vote by his or her own school board. A sample resolution your board can complete and vote upon is posted at [www.ohioschoolboards.org/recognition-award](http://www.ohioschoolboards.org/recognition-award). The resolutions must be sent to OSBA by July 31.

## OSBA still accepting Student Achievement Fair programs, artwork

The OSBA Student Achievement Fair, Nov. 14 at the Capital Conference, offers many opportunities for districts to showcase their students and programs. The fair highlights student performing groups,

artwork and innovative education initiatives from public schools across the state. The deadline to nominate performing groups has passed, but districts still can nominate student programs and artwork. For details, visit <http://conference.ohioschoolboards.org/student-achievement-fair>.

## Lincolnview students turn gym into living wax museum

Fourth-graders at **Lincolnview Local's (Van Wert)** Lincolnview Elementary School brought historical figures to life as one of their final assignments of the school year.

The students made costumes, memorized speeches and created frames while depicting the lives of **Harriet Tubman, Helen Keller** and others, creating a living wax museum in the gymnasium.

**Pippa Pohlman** told a local newspaper that she was fascinated by Keller's determination.

"She never gave up," Pohlman said. "She kept on going despite the fact that she was blind. She died when she was 54."

Students also wrote and read essays about their selected historical figures.

## LEGISLATIVE REPORT

by Will Schwartz, deputy director of legislative services

### Bills teed up for lame duck legislative session

At the same time the Ohio House and Senate sent a bevy of bills to Gov. **Mike DeWine** for his signature prior to their summer

recess, they also approved bills from their respective chambers, sending them to the other chamber for consideration and teeing up

likely consideration in the lame-duck legislative session this November and December. Bills pending in the second chamber

often are used as vehicles to advance last-minute proposals during the lame-duck session. The following are bills that recently passed the first chamber and are now under consideration in the second chamber.

● House Bill (HB) 151 passed by a 56-28 vote. Sponsored by Rep. **Don Jones** (R-Freeport), the bill would revise the Ohio Resident Educator Program (RESA) to allow mentoring to occur online or in person and prohibits the State Board of Education from limiting the number of attempts participants must successfully complete RESA. The bill also requires districts to provide one day of professional development leave for classroom teachers each year to observe a veteran teacher. In a rare move, the bill was amended on the House floor to include provisions of HB 61, which would enact the Save Women's Sports Act to require schools and public and private colleges to designate separate single-sex teams and sports for each sex. The bill is pending referral to a standing committee but likely will be referred to the Senate Primary and Secondary Education Committee.

● HB 203 passed by a 54-33 vote. Sponsored by Rep. **Jena Powell** (R-Arcanum), the bill would require an occupational licensing authority to issue a license or government certification to an applicant who holds a license, government certification or private certification or has satisfactory

work experience in another state under certain circumstances. The bill is pending referral to a standing committee but likely will be referred to the Senate Workforce and Higher Education Committee.

● HB 333 passed by a 72-19 vote. Sponsored by Reps. **Jessica E. Miranda** (D-Forest Park) and **Andrea White** (R-Kettering), the bill would require the state to recommend a job description for school counselors. The bill also would require public schools to consider those recommendations when preparing job descriptions and assigning duties for school counselors. Finally, the bill would require the designation of a school counselor liaison at the Ohio Department of Education. The bill is pending in the Senate Primary and Secondary Education Committee, where it awaits a first hearing.

● HB 492 passed by a 50-35 vote. Sponsored by Reps. **Mike Loychik** (R-Bazetta) and **Gail K. Pavliga** (R-Portage County), the bill would require school athletic coaches to complete mental health training each time they apply for or renew a pupil-activity program permit and provide evidence of completed training to the State Board. The bill is pending referral to a standing committee but likely will be referred to the Senate Primary and Secondary Education Committee.

● House Bill 497 passed by an 80-10 vote. Sponsored by Reps. **Gayle Manning** (R-North

Ridgeville) and **Phillip M. Robinson Jr.** (D-Solon), the bill would modify the English language arts assessment to be administered once in the third grade and eliminate retention under the Third Grade Reading Guarantee. The bill is pending referral to a standing committee but likely will be referred to the Senate Primary and Secondary Education Committee.

● HB 501 passed by an 86-2 vote. Sponsored by Rep. **Thomas Hall** (R-Madison Township), the bill would extend to townships the use of the municipal tax increment financing laws and allow townships to create a redevelopment tax increment equivalent fund for payments in lieu of taxes, both of which may have an impact on school district local revenue. The bill is pending referral to a standing committee but likely will be referred to the Senate Ways and Means Committee.

● HB 554 passed unanimously. Sponsored by Reps. **Mary Lightbody** (D-Westerville) and **Adam C. Bird** (R-New Richmond), the bill would require the State Board to issue two-year temporary educator licenses to applicants with expired professional teacher's certificates and professional educator licenses as long as certain requirements are met. The bill is pending in the Senate Primary and Secondary Education Committee, where it awaits a first hearing.

## Berea City students restore 'Tree of Knowledge' sculpture

Students armed with putty knives, box cutters and a cake frosting spreader filled the Austin Finishing Co. in Cleveland.

The students from **Berea City's** Berea Midpark High School had an assignment: art conservation.

Using the tools, the students removed brown, degraded plastic insulating foam from the back of the historic 20-foot-tall Tree of Knowledge sculpture, which once hung on a facade of the now-demolished 1965 addition to the

old Berea Midpark High School.

The sculpture, following restoration, will hang outside the entrance of Berea Midpark's new high school performing arts center, part of a new high school built during the 2019-20 school year.

"I like the hands-on stuff," **Aislinn Murray**, a 16-year-old junior, told a local newspaper. "I think it's a really cool experience."

In April, the students repainted blue and green triangular accents on an aluminum section of the

sculpture representing forests of evergreen trees. Parts of the sculpture resemble seven large eyes filled with symbols representing fields of knowledge that include the sciences, history, geography, economics, art, physical education, and literature and the humanities.

The Berea High School Alumni Association is supporting the sculpture restoration through its Tree of Knowledge Committee.

*Legislative Report, continued from page 6*

● HB 578 passed unanimously. Sponsored by Rep. **Bill Roemer** (R-Richfield), the bill would create the **Revere Local (Summit)** Schools license plate and make an appropriation on revenues received from the purchase of the license plate. Additionally, the bill creates the Stephen T. Badin High School license plate and would make a similar appropriation. The bill is pending referral to a standing committee.

● HB 606 passed by a 93-1 vote. Sponsored by Reps. Bird and **Catherine D. Ingram** (D-Cincinnati), the bill would require public and chartered nonpublic schools to create an

individualized seizure action plan for each enrolled student who has an active seizure disorder diagnosis. The bill also would require each school to have at least one employee trained in implementing seizure action plans and would require students to receive age-appropriate instruction on seizure disorders. The bill is pending in the Senate Primary and Secondary Education Committee, where it awaits a first hearing.

● Senate Bill 131 passed unanimously. Sponsored by Sens. **Kristina Roegner** (R-Hudson) and **Rob McColley** (R-Napoleon), the bill would require an occupational

licensing authority to issue a license or government certification to an applicant who holds a license, government certification or private certification or has satisfactory work experience in another state under certain circumstances. Additionally, the bill clarifies that a person seeking a license through an already preapproved licensure compact to use the compact method. The bill is pending referral to a standing committee but likely will be referred to the House State and Local Government Committee.
