

Attendee**Chat**

Good evening! This town hall and the accompanying chat is being recorded and will be available on OSBA's COVID-19 webpage at <https://www.ohioschoolboards.org/coronavirus> Please use the chat to share information or ask questions.

Angela Penquite: Sorry for the technical difficulties. We will post Ralph's powerpoint with the recording of this town hall at <https://www.ohioschoolboards.org/coronavirus>

Angela Penquite: Question - when reporting to all parents and guardians in the school, is it sufficient to report the cases on the website or dashboard that there have been between, say, 1-5 cases, in stead of a specific number?

Victoria Powers: Student sister tested positive..not in school.. student not tested but not feeling well.. health department said he was a positive.. how can that be a definite positive without testing

Susie Lawson: Does anyone have union representation requesting that this policy be extended beyond the current timeline as a condition of teacher MOUs?

Brittany Wigman: That's the first I have heard of this being a union issue, but I am not surprised. I would push back on that point and try to get a set date for expiration. When that dates hit, the parties could always extend the MOU, but you need some set date for this to be effective.

Van Keating: I was surprised they'd attempt to supersede federally established timelines for this policy.

Brittany Wigman: I missed the bill number. Please repeat

Mary: Mary, the bill is Senate Bill 358

Will Schwartz: Does house bill 606 cover educators?

Victoria Powers: Don't miss next week's town hall! Register for the Sept. 16 event at <https://www.ohioschoolboards.org/events/view/osbas-town-hall-sept-16>

Angela Penquite: You can now register for your region's fall conference at www.ohioschoolboards.org/events

Angela Penquite: The virtual 2020 OSBA Capital Conference and Trade Show is Nov. 7-10. Stay up to date on the conference at <http://conference.ohioschoolboards.org/FAQ>
