For further information, please contact Human Resources, 330-761-2753.

**QUALIFICATIONS:**

**Required:**

- Valid State of Ohio Administrative license;
- Minimum of three years' experience integrating technology into instruction;
- Evidence of effective verbal and communication skills;
- Evidence of collaborative planning and work;
- Evidence of experience delivering instruction digitally or in a blended learning environment.

**Desired:**

- Flexible and self-directed;
- Experience building constructive and effective relationships with administrators, staff and community;
- The ability to lead, direct and supervise staff with clear directions and goals;
- Trustworthy with integrity.

**POSITION DESCRIPTION:**

- Support, promote and advance the integration of technology into instructional delivery, leading to enhanced student utilization and improved student achievement;
- Facilitate implementation of technology in support of data-driven instruction at the building, district and regional levels;
- Organize and plan staff development activities for building and district staff on all instructional software;
- Support the district assessment initiatives in administration and analysis of assessments;
- Create expanded menu of digital coursework K-12, including courses for enrichment, electives, intervention, and credit recovery;
- Align digital courses with dual enrollment requirements;
- Consult and collaborate with teachers, principals, and Curriculum & Instruction staff to identify appropriate software and programs to support high quality teaching and learning;
- Evaluate new software and hardware to support teaching and learning;
- Assist in training school-based technology specialists;
- Coordinate services provided by the technology coordinators in each school;
- Recommend board policies and procedures for the instruction and management of digital coursework;
- Create the infrastructure for students to be full-time digital students;
- Supervises the Instructional Technology Specialists;
- Serves as the liaison for Curriculum and Instruction with Technology Services;
- Reports to the Executive Director of Teaching and Learning;
- Assumes all other duties assigned by the Superintendent or his designee.
